SUPPLEMENTARY INFORMATION: The Department of Education (ED), in accordance with the Paperwork Reduction Act of 1995 (PRA) (44 U.S.C. 3506(c)(2)(A)), provides the general public and Federal agencies with an opportunity to comment on proposed, revised, and continuing collections of information. This helps the Department assess the impact of its information collection requirements and minimize the public's reporting burden. It also helps the public understand the Department's information collection requirements and provide the requested data in the desired format. ED is soliciting comments on the proposed information collection request (ICR) that is described below. The Department of Education is especially interested in public comment addressing the following issues: (1) is this collection necessary to the proper functions of the Department; (2) will this information be processed and used in a timely manner;

(3) is the estimate of burden accurate; (4) how might the Department enhance the quality, utility, and clarity of the information to be collected; and (5) how might the Department minimize the burden of this collection on the respondents, including through the use of information technology. Please note that written comments received in response to this notice will be considered public records.

Title of Collection: An Impact Evaluation of Training in Multi-Tiered Systems of Support for Behavior (MTSS-B)

OMB Control Number: 1850-0921

Type of Review: A revision of an existing information collection

Respondents / Affected Public: Individuals or Households

Total Estimated Number of Annual Responses: 2,568

Total Estimated Number of Annual Burden Hours: 457

Abstract: This submission requests approval of a third year of select data collection activities that will be used to support the Impact Evaluation of Training in Multi-Tiered Systems of Support for Behavior (MTSS-B). The evaluation will estimate the impact on school staff practices, school climate, and student outcomes of providing training and support in the MTSS-B framework plus universal (Tier I) positive behavior supports and targeted (Tier II) interventions across two years. The third year of data collection will provide information on sustainability, the capacity of schools to continue implementation after the study-supported training and support are complete, as well as district efforts to scale-up the intervention in other schools.
